

THE PEAK

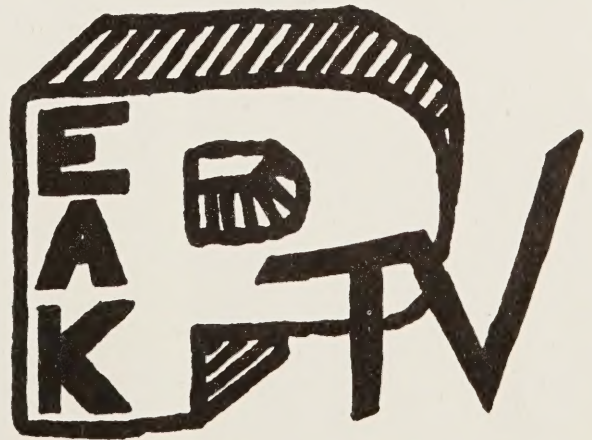

A TAZEWELL HIGH SCHOOL ANNUAL STAFF PRESENTATION

THE PEAK

42ND EDITION

1990-1991 TAZEWELL, VA.

DEDICATION — THE 1991 PEAK

No dedication that we could make would ever match your own. To the cause of our education at Tazewell High School, you have truly given your knowledge, your time, your energies — in a word, yourself. As we dedicate to you our 1991 yearbook, we recognize how small this gesture is in the face of all that you have dedicated to us.

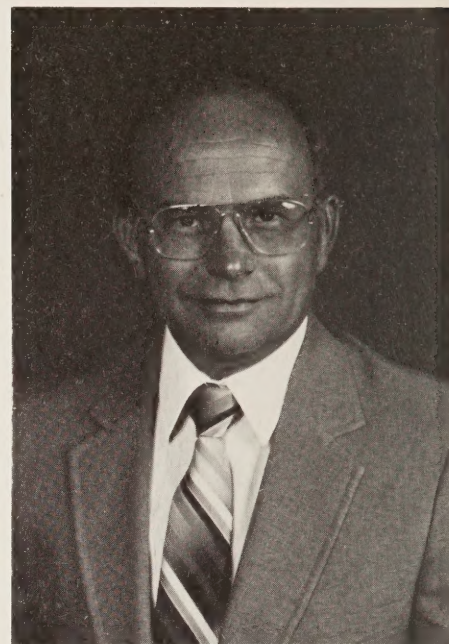

Ours is a generation whose education has sometimes been in doubt. We've been the subject of endless testing and frequently-unfavorable comment regarding our academic success. We are characterized by attention deficit, falling SAT scores, and failure to learn "the basics." But, while other experts forever analyze the problems of education, you have tackled those problems, making yourself a part of their solution. We are told, for example, that many graduates aren't ready for college; but in your classes the standards are kept high, and no one doubts their value as college preparation. While the public complains that student misbehavior is on the rise, your students understand that mutual respect is a "given" in your no-nonsense classroom atmosphere. Our generation's most frequent description of school is "boring," but we can't help catching your enthusiasm and finding ourselves interested after all.

We entered your classroom with a degree of nervousness, expecting the material to be too difficult and your expectations too demanding. We found that the course was indeed difficult and your expectations high, but we discovered as well a warm individual behind the stern reputation. We were in awe of your vast technical knowledge, but you humanized it with your

"stories," anecdotes that we'll never forget, and with your memorable expressions. (It was in your class that we were advised to "Know thy stuff, neighbor," and reminded that "You know what the Russians would say!") You involved yourself with us in the learning process: not dispensing knowledge but sharing it, not demanding respect but creating it, not pleading with us to work hard but simply expecting it. Your warmth, your humor, your love of helping us to achieve understanding all contributed to a unique kind of rapport. Quite unexpectedly, we found ourselves enjoying the class that was such a challenge, and recognizing our good fortune in having you as a teacher.

Your influence has not been limited, however, to the space inside Room 208. You've joined us in support of our extracurricular programs, most notably by your presence behind the camcorder, on top of the press box, every Friday night from September through mid-November. Further, by your active participation in the Tazewell Education Association, you've said to students and teachers alike that our input matters, and that excellence in education is worth striving for.

What we have learned from you could never be condensed into a final exam. Lessons in life have permeated our experience with you, both in and out of the classroom. In our attempt to write this tribute, we find that our feelings about you defy adequate description. But although our many words may fail to capture your essence, one word will always remind us of the unique privilege of knowing you. The word . . . "Hutch."

Cold Chef Boyardee?!

But it's cheaper on Sunday and Tuesday.

Volleyball at Lincolnshire.

SOME of us have to work on Saturday nights!

What's wrong, Zach?

Practicing our cheerleading pyramids.

TOP WEEKEND SPOTS

It's 12:00 — do you know where your parents are?

There's nothing to do in this small town. . .

or is there?!

"THE DATING GAME"

Do we come to school to learn or to date? You be the judge!

"She comes to school to learn; I just come to look good!"

"And just think: we're only beginning!"

"Next time you will learn to keep your hands to yourself!"

"I swear she laughs at the dumbest jokes!"

"Wah — this is the life!"

"Kenny, are you SURE you still love me?"

"Hold on tight, Jenni!"

"Now is that sweet, or what?"

"Does she think the only reason I brought her here was to paint the rock?"

"O.K., so we're not serious yet!"

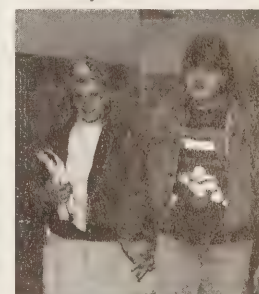

"This guy won't take NO for an answer."

Puppy Love

That's not the girl you were escorting up the stairs last period, Gareth!

Look, Mr. Harman, they're holding hands!!

Your turn to play the Dating Game. Three bachelors have been chosen from the senior class to star in our Dating Game, and one of them could be your match, if you play the game right. Each bachelor was asked to describe himself briefly. Is he your match? You be the judge. . .

BACHELOR #1

ZACH

I enjoy football, snow-skiing, and hangin' out with the guys. I look for a girl that is easy to talk to & outgoing. I enjoy girls that have fun no matter what we do, whether it's 4-wheeling in my truck or going to a movie.

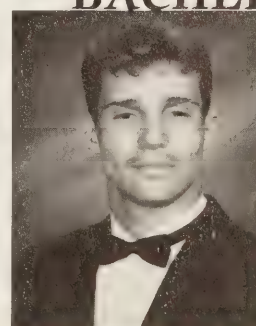

BACHELOR #2

BRIAN

My interests are football, snowskiing, and repainting cars. I like girls who don't have big mouths. My girl has to be slightly intelligent and enjoy partying. I wouldn't mind taking my girl back to Ohio with me to meet all my friends.

BACHELOR #3

DANNY

I like football, track, and waterskiing. Physical appearance & a carefree personality are 2 things I look for in a girl. Romance is also a big factor. I would enjoy walking along the beach at sunset with a girl, (although Tazewell has no beach!) 75

"THE ACE AWARDS"

Student Achievements

Leslie Lough

"Mirror, mirror on the wall, who is the fairest of them all?" This is the question to which Leslie was the answer when she won the Young American Miss Teen for Virginia, and went on to place in the top five nationally at the pageant in Orlando, Florida.

Melissa Nickels

Is it Crocodile Dundee? No! It's just Melissa Nickels, who traveled "down under" this summer, on an exchange program to Gunnedah, Australia. She comments that this is the only kangaroo she could find.

Eddie Rose

Eddie attended an FH Cluster Meeting in Atlanta, Georgia, this year. He was involved in a number of learning activities, and was able to bring back information for his fellow future homemakers.

Emily Combs

Another of Tazewell's world travellers is Emily Combs, who spent one month of the past summer in the U.S.S.R. On a trip sponsored by the Rotary Club, Emily was privileged to live with a Russian family and experience cultural differences first-hand.

Jack Page and Michael Trent

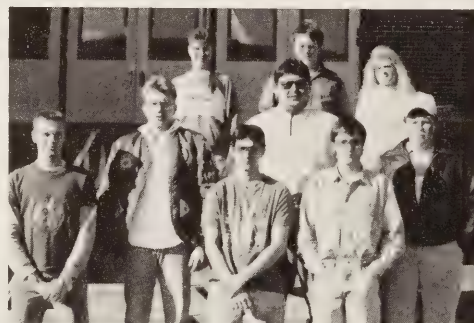

Michael and Jack were selected to attend the Leadership Conference for Interact and Rotary Clubs in Blacksburg, Va., during December, 1990. Our Interact group was proud to be represented by these potential leaders.

Have you ever asked who's running the country? Perhaps Emily and Daniel can tell you the answer. Each of these civic-minded students attended a Congressional Youth Leadership Council in Washington, D.C., during this school year.

Have you ever missed a day of school and needed someone to give you your assignments? If so, Pam is certainly the person to help you. She hasn't missed a day of school since first grade. That's 2,160 days, folks!

DECA members attended their District Leadership Conference on Jan. 29, 1991, at Virginia Intermont College. Pictured are 1st row: Sonya Nelson, Davina Turner, Robbie Harrington, Marshall Stilwell; 2nd row: Todd Streeby, Mark Witten, Donald Bradley, Lynda Kiser, Rebecca Witten. Advisor Mr. Lockhart attended with the group, and is proud to announce that Todd Streeby won certificates and a plaque in Food Marketing, while Donald Bradley was honored in Restaurant Marketing.

Community support for T.H.S. projects is shown, as O.D.S. packages are shipped.

Ms. Mary Sue Terry, Virginia's Attorney General, visited T.H.S. in October of 1990. After her speech, she graciously answered student questions. ("Yes Kelli, I'll vote for you as 1st woman President.")

Government classes held mock elections in Nov., 1990. Seniors "elected" Barbara Stafford.

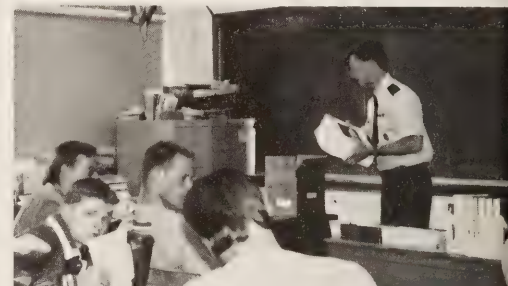

"Ooh. Just what I wanted!" (The faculty enjoyed a Christmas party, complete with stockings stuffed by various clubs.)

"Will this keep me out of Harvard?" (Juniors appear nervous as they listen to instructions for the yearly PSAT tests.)

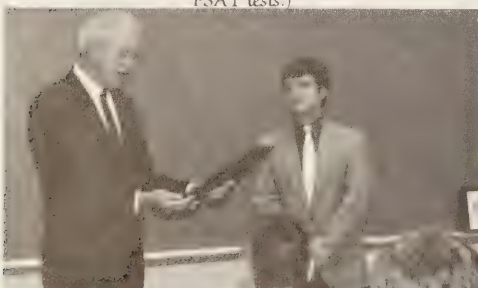

"Dear Governor Wilder..." (Seniors write letters to state officials in Mr. Mullins' government classes.)

Uncle Sam's defense will be in good hands if this military recruit succeeds.

Judge Thomas P. Harwood came to Tazewell to present a teaching award to Mr. Mullins.

Chorus singing, "Rock 'n Roll Santa Claus."

Mr. Hatfield shows his best side (?) to the audience.

Letters from the troops displayed for all to read.

T.H.S. was privileged to welcome these international guests, who learned about U.S. culture right here in Tazewell! Peter Bee from Australia, and Jan-Carl Hennop from South Africa, seemed to enjoy their visit.

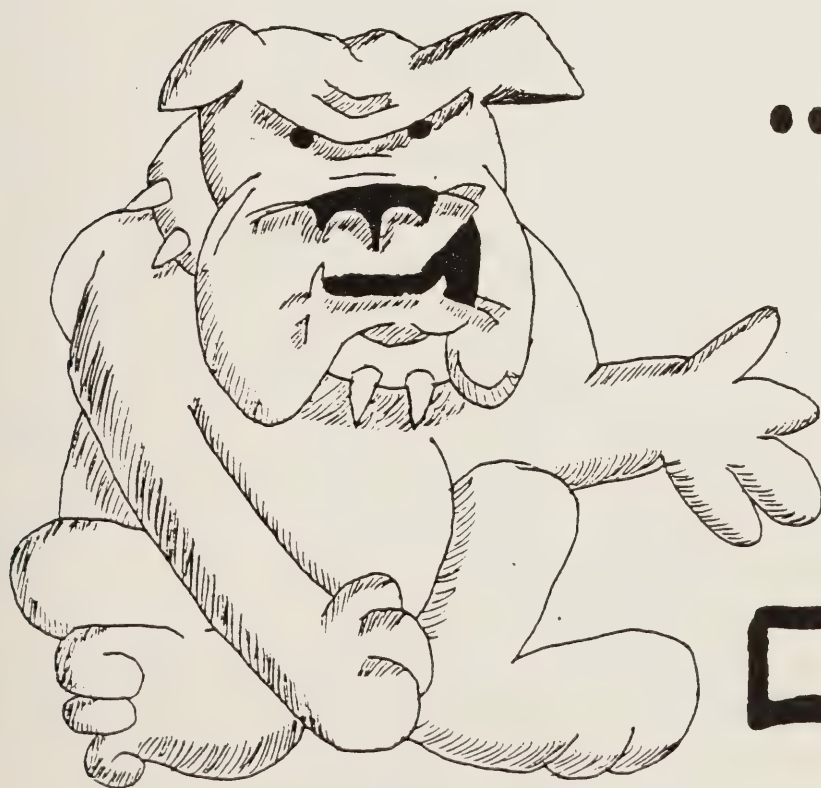

Tazewell guest JoAnn Shaw enlightens students about her home in the "land down under," Australia.

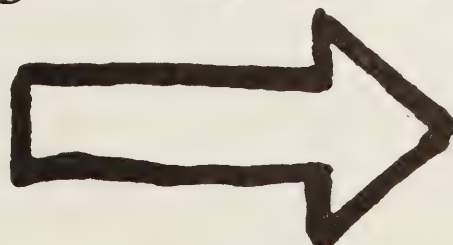

Masonry students rebuilt the T.H.S. sign after a hurried student missed the driveway.

SPORTS

**Coach "Go" is gone,
Vaught stays 1 season.**

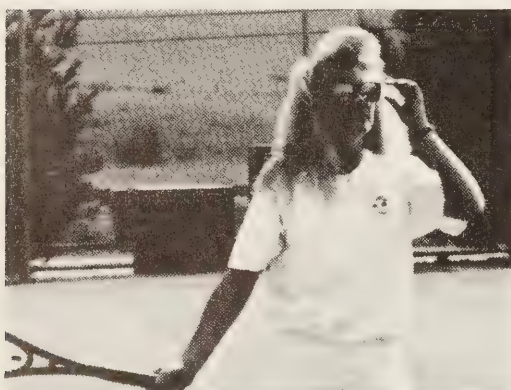

FOOTBALL

Young "Dogs" successful at new tricks.

It was a young team not generally expected to do well, but the guys were dedicated to achieving excellence and success. They were a close-knit team. The team had tremendous leadership from upperclassmen and the underclassmen matured rapidly. The team earned a great deal of respect as they qualified for the state playoffs. ALL STATE, ALL REGIONAL- John Griffith, Bill Cecil, ALL DISTRICT- John Griffith, Bill Cecil, Zach Olinger, Dennis Noel, Deacon Young, Brian Buckland, Chris Asbury. HONORABLE MENTION- Bryan Riddle, Greg Smith, Aaron Peery.

TENNIS

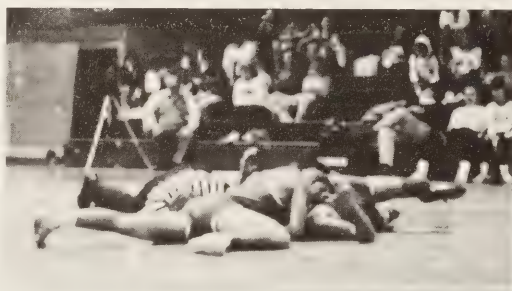

Girls: The 1990 Lady Bulldogs finished with a record of 2-10. 1991 is promising to be better, returning 1st Team District member Jennifer Lough, and 2nd Team member Melissa Nickels. Other seniors are Sandra Rasnake, April Conley, and Karen Beisel. **Guys:** The 1991 team will be led by Kevin Linkous, Shannon Susman, and Mark Bezjak, who made 1st Team District. The team anticipates an improved record for 1991.

The T.H.S. wrestlers finished 10-4 on the season. This was a vast improvement over previous years. In district competition, Andy McCann, Tim Roberts, and Paul Hicks earned 2nd place honors, and 13 wrestlers qualified to participate in the regional meet. Bolstered by a promising crop of freshmen and sophomores, the future looks very bright for Bulldog wrestling.

WRESTLING

**Wrestlers get a "home" in new
T.E.S. gym.**

TRACK

**Running faster and jumping farther
than ever!**

Girls: 1990 was the most successful year ever for girls' track. They won the county and district championships. It was the first time in the school's history that the girls had won the district. Top contender Karen Cole qualified for the state track meet at J.M.U. **Guys:** The guys improved as the year progressed. They had several members place in district meets. Danny Carr and Dennis Noel qualified for the state meet.

ROUND-UP

BASEBALL

Baseball was big in Tazewell for 1990. The final record was 19-4. The team accomplished seasonal and tournament SWD championships, Region IV runners-up, and Coppinger Tournament AAA runners-up. The Bulldog baseball team accomplished a feat unachieved by any previous Tazewell baseball team: they played in the State AA quarter-finals.

Top returnees for 1991 are Caudill and Patton.

VOLLEYBALL

The volleyball team was led by eight seniors and placed first in Southwest District play. The team moved on to regional play. Top returnees for this year's squad were 1st Team All-Regional & Hitter of the Year Shannon Cromer and All-District team members Jennifer Lough and Natalie Karnes, also Setter of the Year. Mrs. Poskas, Coach-of-the-Year for 1990, led another winning season.

Team finally gets new uniforms.

Varsity and J.V. teams place first in S.W.D.

BASKETBALL

Girls: The Lady Bulldogs finished the year at second place in the SWD. They advanced to the first round of regional play with a record of 15-8, led by All-Regional Team member S. Cromer. Boys: The Bulldogs were paced by J. Griffith, C. Webb, B. Lockhart, and M. Bezjak. A season highlight was the big win over Richlands, which halted the Tornados' home-win streak. Tough performance under pressure gave the Bulldogs a shot at the district title and regional play.

Dogs sweep Tornados!

Tazewell Golf is up to par.

GOLF

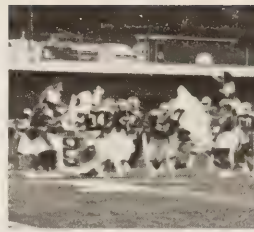

This year's was a young team with only one senior, Rick Patton. The team finished second in district play and advanced to regionals for the eighth consecutive year. Mark Bezjak, Andy Price, J.D. Dean, Chris Johnson, and Shawn Sparks all provided strong play, and should form the basis of a strong team for future years.

What's so funny??

Dogs are bustin' loose!

Just as we do. Because when customers need electric service, we are obligated to provide it.

And we always knew that you and your classmates might one day be our customers. That's why we started planning for today ten years ago, so that we could provide electricity for the life-style you choose.

We hope we can supply electricity for all your tomorrows, too.
